### **NUSSBAUM'S MOVING**

This morning marks a significant transition for Charlie and Mary Nussbaum, who have been an integral part of Maplewood Mennonite Church since the congregations early years. They joined the congregation on August, 1963, and they have remained active members ever since.

On Thursday, August 1, Charles and Mary will move to 'Silver Birch', an assisted living community on the south side of Fort Wayne. Their new address is:

Their daughters, Lorena and Margo are with us today to celebrate and support their Mom & Dad, as we send them forth with our blessings. While we look forward to occasional visits, we will miss their weekly presence in worship at Maplewood. There is no Sunday school this morning, but everyone is invited to remain on for a cake & ice cream reception in their honor, in the Fellowship Hall following the service.

### **PICTORIAL DIRECTORY**

Coleen Cameron will again be at a table in the hallway this morning, making appointments for a photo session for the new Maplewood Pictorial Directory. Our goal is 100% participation. Sessions are also open to those beyond the congregation (extended family, friends, neighbors) who may wish to have a family photo taken. Each person/group will receive a free 8 x10 photo, and will have the option of ordering other prints and products. Coleen can be contacted at (260) 449-6442.

### **MCC SCHOOL KITS**

Next Sunday marks the end of our annual drive for MCC School Kits. The Mission Commission thanks you for reaching out in this way to bless children with basics school supplies that we take for granted. (Note: metal pencil sharpeners are on the library table to be added to your kits)

### **MAPLEWOOD CRUISE-IN**

On Wednesday, August 7, we will host the 3rd annual Maplewood Cruise-In. There is a sign-up sheet in the foyer for bringing salads and desserts. Please consider sharing last week's bulletin insert (extras in foyer) with a friend or neighbor. This is a fun and informal way for us to connect with neighbors in our community.
